Well, we assure you that it is not uncommon, and extremely serious to both patient and physician. If you bring your prescriptions here, you need have no uneasiness as to the quality or freshness of whatever drugs are used in filling them.

Do You Raise Chickens?

If you do it's a safe guess you're interested in anything that tends to lessen your work and increase your profits. Perhaps you've tried a brooder, or an incubator, or both, and are dissatisfied—that's because it wasn't the "Favorite."

There are plenty of farmers in the neighborhood of Jasper who are using the Favorite, and we have yet to hear of one who is not pleased with it. Here are two instances of what the Favorite has done in this vicinity.

P. B. Cline, with a FAVORITE Incubator, got 146 chickens out of a setting of 150 eggs.

Jas. Bradford out of three settings of 150 eggs each got 139, 141 and 143 chickens.

These facts speak louder for the Favorite than any arguments we could use. When the Favorite sells at the prices given here it's the worst kind of false economy to buy a cheaper machine.

NEW PRESIDENT AT FIRST NATIONAL.

E. L. Thomas of Effingham, Kans., Succeeds H.A. Ringer.

E. L. Thomas, an Effingham, Kans., gentleman, purchased, this week, the holdings of Dr. B. A. Gooding of Fort Collins, Colo., in the First National bank of Jasper, and as soon as proper arrangements can be made will move his family here and make Jasper his home. By virtue of a meeting of the directors Tuesday afternoon Mr. Thomas is now also president of the bank.

Mr. Thomas is a man of long banking experience extending over several states his last connection being with the state bank of Effingham, where he held the office of vice president. Preferring Missouri with her steady property values to the hectic prosperity of the country further west he picked upon Jasper with its rich farming country as a most ideal location. The fact that Dr. Gooding has been a non-resident of Jasper for several years and that Mr. Thomas intended to make his home here disposed the bank people favorably to the transfer, and so it was made.

Mr. Thomas came very highly recommended, both as a banker and a citizen. One of the letters he brings, from his old connection at Effingham we publish here:

Effingham, Kans., Feb. 16, '09

To Whom It May Concern:

During the past seven years we have been associated with Mr. E. L. Thomas in the banking business, and during that time have been intimately acquainted with him. We consider him a man of ability and good business judgment. We believe him to be a man of utmost integrity.

T. J. BOHANNON, Pres.
C. L. CUMMINGS, Cashier.

The young man to whom she entrusted her future is Harry Prather of Pawnee. They went to Perry to have the knot tied, and at the time the Pawnee paper went to press a mob of enthusiastic friends was awaiting their arrival at the station equipped with rice and all the other items that go to make such a reception a success—from the crowd's viewpoint.
